Through the endless daydream I saw you on the way back There I walked with you in my arms

IDm G7 IEm7 A7 IDm G7 IC C7

Through the blurry darkness Who's veiling on the twilight We've been far away from my fears

IDm G7 IEm7 A7 IDm G7 IC C7

Somewhere else I'll see you Our days be like a blossom Blooming all around you so bright

IDm G7 IEm7 A7 IDm G7 IC

By and by I'll miss you and your laugh like a sunshine Fading into shadow of tears

All around me is your light With you everything so shines

I could just go with you between our time Where they can't find us somehow

You could just come away with me out there Where we could dream away All day
