We had some fun before we hit the ground

Love is like a hurricane

You know it's on the way

You think you can be brave

Underneath the waves

If life is just a dream

Which of us is dreaming

And who will wake up screaming

Cause if I have to die tonight

I'd rather be with you

Cut the parachute before the dive

Baby don't you cry

You have to bring me down

We had some fun before we hit the ground

(solo)

Cause if I have to die tonight

I'd rather be with you

Cut the parachute before the dive

Baby don't you cry

You have to bring me down

We had some fun before we hit the ground

Cause if I have to die tonight

I'd rather it was you

Cut the parachute before the dive

Baby don't you cry

You have to bring me down

We had some fun before we hit the ground
