In my life

Beatles

C G Am C7

There are places i'll remember

F Fm C

All my life though some have changed

C G Am C7

Some forever not for better

F Fm C

Some have gone and some remain

Am Dm

All these places have their moments

Bb C

With lovers and friends i still can recall

Am D7

Some are dead and some are living

F Fm C

In my life i've loved them all

C G Am C7

But of all these friends and lovers

F Fm C

There is no one compares with you

C G Am C7

And these memories lose their meaning

F Fm C

When i think of love as something new

Am Dm

Though i know i'll never lose affection

Bb C

For people and things that went before

Am D7

I know i'll often stop and think about them

F Fm C

In my life i love you more
