

2002

I will always remember The day you kissed my lips  
Light as a feather And it went just like this  
No, it's never been better Than the summer of 2002 (ooh)  
Uh, we were only eleven But acting like grown-ups  
Like we are in the present Drinking from plastic cups  
Singing, "Love is forever and ever" Well, I guess that was true  
##  
Dancing on the hood in the middle of the woods On an old Mustang, where we sang  
Songs with all our childhood friends And it went like this, say  
Oops, I got 99 problems singing bye, bye, bye  
Hold up, if you wanna go and take a ride with me  
Better hit me, baby, one more time, uh  
Paint a picture for you and me On the days when we were young, uh  
Singing at the top of both our lungs
